Web Scraping Project

- Go to the link: https://store.steampowered.com/games/
- You need to scrape the details of top 5 "New & Trending" Game details.
- You need to research how the webscraping is done and then start doing the project.

. For every game, find out the number of positive reviews and name of developer and publisher

HuGe is a logical platformer game with jumps, rotation and reduction.

ALL REVIEWS:	Positive (13)

25 reviews

Recommended
0.2 hrs on record

EARLY ACCESS REVIEW

POSTED: 14 JULY

the game has achievements but no collector's cards
It's fun to play but it's EA :(
I want the full version of the game
